March 17, 2020 Update on Drop Off of Academic Materials

Hello, this is the Bolton Central School Automated messaging system.

Along with our food delivery, district students in Pre-K through grade 5 as well as students in grade 7 and grade 9 will have academic material delivered to their homes. Buses will depart from school at 7:10 and will follow the normal morning pick up route.

Please do all you can to be outside awaiting the delivery.

Thank you in advance for helping to make this process run as smooth as possible.

Non-resident students can pick up materials at the Entry Office between 9:00 and 3:00.

Thank you.
