

26 HORICON AVENUE  
BOLTON LANDING, N.Y. 12814

***March 16, 2020 Update on Academics***

Hello Bolton Central School parents. The following message will also be posted on our district website. The teachers have been working to prepare materials for your child to complete while classes are cancelled. Our goal is to minimize the impact that this time away from school will have on our students' academic progress. All of our teachers will be available during this time period and we encourage you to reach out to them directly with any questions. Teachers will also make regular contact as well, either directly with you, or through your child's school email account should they be in middle or high school.

Many of our grades 6 - 12 classes will be conducted via Google Classroom. Please work with your child to regularly check their school email address and Google classroom accounts. It is expected that students in grades 6 - 12 will access these accounts every school day. Students may access these accounts on either their school issued Chromebooks, or their own personal device or computer. A Parents' Guide to Google Classroom is available on the school webpage and Facebook.

All Pre-Kindergarten through 5th grade classes will be sending home paper-based work, supplemented by digital learning tools. Please refer to your child's teacher's directions on daily assignments and how completed work will be collected.

On Wednesday, March 18th we will be using our bus transportation to pass out class materials to Pre-Kindergarten through 5th grade students living within the district, along with our morning food delivery. Buses should arrive at approximately the same time as a daily morning pick-up. Please be at the bus stop to pick up materials. This will also be a means of how we will collect work if requested by the teacher. Nonresident families are asked to pick up their child's materials from the entry office between the hours of 9:00 a.m. and 3:30 p.m. on Wednesday, March 18th or Thursday, March 19th.

The school building will remain open from 8:00 a.m. - 3:30 p.m. each day. Should your child need personal belongings or materials from their locker or classroom, you or they may enter the building between these hours. Once again, this message is currently posted on our district website.

Thank you.
