**March 16, 2020 Update of Food Delivery**

Hello, this is the Bolton Central School Automated messaging system. For those of you who elected to have breakfast and lunch delivered for students, this delivery will begin tomorrow, Tuesday, March 17th. The delivery should arrive very close to the normal morning bus pick up time. Please be physically present at the bus pick up location to receive this daily delivery. Another automated message will be sent this evening and will be specific to academics.

Thank you for your continued support during this difficult time.
